Inigo Launches New Centre In Bath

1 Queen Square

This month sees the opening of 1 Queen Square, Inigo's eighth centre. Located in the heart of the business district, Queen Square is Bath's first example of Georgian architecture and with its symmetry, some of the finest.

As with all Inigo Centres, 1 Queen Square is decorated to exacting standards in a traditional style with fine furniture of a variety of wood.

Inigo are offering fully furnished suites of from 1 to 10 workstations and two meeting rooms seating up to 8 and 16 people.

Sarah Ryder, Inigo's Operations Manager, is running the centre for its initial 6 months and can be contacted on 0800 0633 500 or bath@inigo.co.uk
